CLIMATE CHANGE

Gabriela Gamero, María Jiménez

Colegio Sagrado Corazón Luz y Guía N° 8229

MÓDULO 8

E-LEARNING

7mo GRADO

ÁREA INGLÉS: CLIMATE CHANGE

INTRODUCTION:

Hello and welcome to this module with material for online practice. We are María Jiménez and Gabriela Gamero your English teachers. This module will help you and your family organize your activities to do at home.

Use simple language and a clear explanation of the activities you have to do.

This month some students from our school are promising to look after the environment!!!!

That's why we are going to join them and work in this module with the topic of **CLIMATE CHANGE!!!!**

Exercise 1:

Check in the dictionary the meaning of

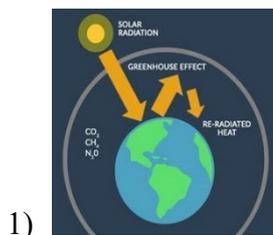

ENVIRONMENT:

CLIMATE CHANGE:

POLLUTION:

GLOBAL WARMING:

What can you see? Are they POSITIVE or NEGATIVE images?

Exercise 2:

LISTEN, READ and NUMBER using the photos in exercise 1.

Go to www.oup.com/elt/rainbowbridge

Follow these instructions after you are in the webpage

CLICK on number 5,

then CLICK on class audio,

CLICK on CD 3

Press ABRIR

Click on track 3-15

and LISTEN, READ and MATCH

“GLOBAL WARMING”

The planet Earth’s climate changes.

Now many scientists say extreme changes are happening because of human activity.

_____ *Many scientists say sea levels are rising. They say there will be more floods, storms and heatwaves.*

_____ *The greenhouse effect is a circle of gases around earth that protect us. Now there’s too much CO2 gas in the circle.*

_____ *We can all help. Our countries can use wind turbines to create electricity. We can recycle our rubbish. We can walk or cycle more. We can turn off the lights when we leave a room.*

_____ *CO2 gas is produced naturally. But humans produced too much CO2 gas. They use landfills for rubbish, too much electricity and always travel by car, ship or plane.*

Exercise 3

ANSWER these questions, TALK with your mum or dad.

- 1) What kind of pollution is there in the air? / Qué tipo de contaminación encontramos en el aire?
- 2) What happens to a lot of rubbish when it is collected? / Qué ocurre con la basura que se recolecta?
- 3) What kinds of energy affect the climate? / Qué tipo de energía afecta al clima?
- 4) What can we do to change climate change problems? / Qué podemos hacer para cambiar los problemas que afectan al cambio climático?

<p>Explicación para los padres: Se deben leer los ejercicios antes de ser realizados para chequear vocabulario desconocido en el diccionario, la web, etc.</p>

Send a photo of the activities to the school webpage. PLEASE, SEND THE ACTIVITIES!

CLOSURE:

Congratulations! You finished the eighth online English module!
